

CENTER FOR STAFF AND FACULTY EXCELLENCE

The Center for Staff and Faculty Excellence recognizes the exemplary work of our faculty and staff at Quinnipiac University. Each year, six distinguished members of our community are honored for their dedication to students and their significant contributions to Quinnipiac's evolution as the University of the Future. The Center for Staff and Faculty Excellence serves an important role in supporting President Judy Olian's strategic plan and its four pillars — to build an institution-wide mindset that prepares graduates for 21st-century careers and leadership; to create an inclusive, excellence-driven community; to nurture and positively impact internal, local and global communities; and to foster lifelong connections and success. To this end, the Faculty Excellence Award and the Staff Excellence Award reflect the highest professional standards at Quinnipiac. The university holds a formal celebration each fall to honor the recipients.
