

MINOR/CERTIFICATE IN LEGAL STUDIES (ABA-APPROVED)

Program Contact: TBD

Quinnipiac University's ABA-approved Minor/Certificate in Legal Studies is designed to provide students with the knowledge and skills needed to be successful in the paralegal profession. The minor is planned and taught by lawyers to provide students with a solid grounding in the fundamentals of the legal system. The courses chosen for the minor prepare students to work as a paralegal in diverse legal settings. The legal studies minor/certificate has been approved by the American Bar Association as a paralegal education program. A paralegal performs specifically delegated substantive legal work under the supervision of an attorney. While paralegals may not give legal advice to clients or appear in court on their behalf, these highly skilled professionals perform a wide range of tasks and play an integral role in the delivery of legal services.

The education focuses on particular core areas of the law and on developing specific legal research, writing and critical thinking skills, all within a framework of the ethical and statutory constraints confronting the paralegal profession. This combination of theoretical classwork with practice courses, along with exposure to traditional liberal arts and general education and a major in another discipline at Quinnipiac, prepares legal studies certificate students for a broad range of professional opportunities.

Minor Policy: Students may complete only one minor using the same courses. Majors may not complete a minor within the same department.

A total of 21 credits are required for completion of the minor/certificate. All Legal Specialty transfer courses will be evaluated by the program director to determine their equivalencies and to ensure that the quality and integrity of the program are maintained if such credit is granted. At least nine credits of Legal Specialty courses must be taken at Quinnipiac University. A maximum of nine credits of Legal Specialty courses may be transferred. Quinnipiac does not award Legal Specialty credit by examination or portfolio.
