

USE OF CREDIT FOR TWO GRADUATE DEGREES

Graduate level courses taken to complete a degree program at Quinnipiac may be applied to a second graduate degree (but not to a third graduate degree). These courses must be part of the approved curriculum of the second degree. No more than 25 percent of the combined credits in the two degree programs and no more than 50 percent of the credits in any one degree may be double-counted. For example, for two master's degrees requiring 30 credits each, 25 percent of the combined 60 credits may be double-counted (i.e., 15 credits).
